Teff It Out: Ancient Grain Becomes Modern Staple

Our gluten-free teff thins are made with a synergistic blend of plant-powered ingredients. Each variety features deliciously savory flavors inspired by African culinary recipes. Enjoy in three flavors: **Red Sea Salt**, **Tomato Lentil Berbere** and **Lemon Chickpea Chili**.

Exciting New Addition to the Bar Lineup

Our gluten-free savory bars combine holistic nutrition with unexpected bursts of flavor inspired by traditional Andean, Indian and Mediterranean cuisines. Small Grains Inspire Big Things

Our vegan frozen entrees combine hearty veggies with South American-inspired flavors to create a yummy, adventurous meal. And our favorite part, of course, is the consciously sourced quinoa from our favorite Bolivian mountain farms. Enjoy these nourishing bowls in two varieties: **Sweet Potato Quinoa** and **Chimichurri Quinoa**.
